- Working with marketing to build content
- Monitoring and engaging in our social activity, and support in the preparation of sales materials including bids and presentations

Person specification

- Student
- Confident with technology terminology
- Tenacity and strong customer service skills
- Ability to build relationships quickly

About T-Tech

T-Tech is one of the fastest growing IT Consultancy, Support and Cloud Services providers in the UK, serving small and medium-sized businesses.

Serving mainly accountancy practices and businesses in the professional services industry, T-Tech ensures that IT supports the intrinsic part of our customers' business. We believe that technology can advance business in a variety of different ways; whether that means having efficient systems that make a business different from its competitors, or software that makes life easier.

We work with our customers to deliver an array of services and seek to take out the frustration and uncertainty that can often be associated with technology and its rapid pace.

T-Tech has created a working environment that is personally and professionally challenging and enjoyable. At T-Tech you will be joining a talented team that values your input and knowledge. We are looking for highly motivated, talented individuals to join us in realizing our vision.

To Apply: Please send your CV and a 2-minute voice/video clip explaining why you think that you are suitable for the role to anita.bird@ttech.com
